ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of

compounding for an annual period. For Checking, Pledge Secured Mastercard, Statement Savings, Special Savings, Growth Savings, IRA Savings, SEP IRA Savings, Coverdell ESA Savings, Educator's Club - July accounts, and Credit Builder the dividend rate and annual percentage yield may change quarterly as determined by the Credit Union's Board of Directors. For

Progressive Money Market, Vacation Club - January, Vacation Club - February, Vacation Club - March, Vacation Club - April, Vacation Club - May, Vacation Club - June, Vacation Club - July, Vacation Club - August, Vacation Club - September, Vacation Club - October, Vacation Club - November, Vacation Club - December and Christmas Club - October accounts, the dividend

rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Growth Checking, Pledge Secured Mastercard, Statement Savings, Growth Savings, IRA Savings/SEP IRA Savings, Coverdell ESA Savings, Progressive Money Market, and Educator's Club – July accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. Once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

2. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For all accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Vacation Club - January, Vacation Club - February, Vacation Club - March, Vacation Club - April, Vacation Club - May, Vacation Club - June, Vacation Club - July, Vacation Club - August, Vacation Club - September, Vacation Club - October, Vacation Club - November, Vacation Club - December and Educator's Club - July accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

5. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Statement Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Growth Checking and Progressive Money Market accounts, there is a minimum daily balance required to avoid a service fee for the dividend period. If the minimum daily balance requirement is not met during each day of the dividend period, you will be charged a service fee as stated in the Schedule of Fees and Charges. *For Growth Checking accounts, if you have a monthly direct deposit of at least \$500.00, you will avoid a service fee for the dividend period. For Statement Savings and Educator's Club - July accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by

applying a daily periodic rate to the principal in the account each day.
